Title: In His Steps(4) - Eating Disorders

Text: Mark 2:13-27

1. Eating With _____ - 15 - 17

Jesus chose to eat with sinners because they needed to know that repentance and forgiveness were available.

• **Remember: No Contact - No _____**
I need the grace to be rescued from _____

2. Not Eating With His Own _____ - 18- 22

1) Jesus compared Himself to a Bridegroom at a wedding

Fasting + prayer are basically about abandoning _____ and running toward God for His power and fellowship with Him.

(2) Jesus Compared Himself and His Ministry to a :
New Garment and New Wine

Additional Notes;

3. Jesus Eating With His _____ - 23 - 27

Observations about our rules.

- Our rules often restrict what God _____ and they set up a false value system that changes with time.
- Living a holy life is challenging enough without adding a bunch of rules that God didn't intend.

Walking in Jesus Steps

1. We must recognize that Jesus can save anybody!
2. If we are to be a part of winning anybody - we must make contact.

#NoContactNoImpact!

3. Now that Jesus is away - we should long to be with Him.
4. Christianity isn't based on following rules.

Takeaway: Live to demonstrate to this world what a real disciple is!
